

A Little Desperate

43' Tug Style Narrowboat

£29,950

'A Little Desperate' (previous name 'Kestrel II') is a tug style narrow boat that has been in the same family ownership since 2011. She is now in need of some work, in particular the external paintwork and blacking (last done in 2017), but in the right hands we are sure she would make someone a lovely boat. At 43' in length, she is easy to handle and moor, and able to navigate all parts of the inland waterways system.

We are open for viewings for 7 days a week, but by prior appointment please as the boat is not moored at our marina.
