

## Argofy

60' Wide Beam Cruiser Stern

**£78,000**

A cruiser stern, wide beam steel cruiser designed by the owner and built to their specification as a single person live aboard vessel. Argofy would also provide comfortable accommodation for a couple and with some additional finishing (e.g. built-in storage, wardrobes, etc), this would enhance what is already a very attractive vessel. Recently vacated by the owner, Argofy is available immediately and can be viewed 7 days a week by prior appointment.
