

Poppy

70' Narrow Boat

£37,000

'Poppy' is a 70' Semi-Trad narrowboat built by Black Prince Holidays Ltd in 2001. It began its life as a 10 berth hire boat on the canals before being sold as a private vessel. The boat was refitted by a previous owner making it more suitable as a long term liveaboard. With the benefit of professionally installed solar panels 'Poppy' is also well equipped for 'off- grid' or continuous cruising. The hull had an epoxy treatment in Autumn 2023. Viewings are available 7 days a week by appointment only please.

BSC	06/10/2025
Builder	Black Prince Holidays
Model	Semi-Trad
Year	2001
Berths	2 in 1 cabin
Engines	Isuzu 38
