

## Black Pearl

Bermuda 34 Broads Cruiser

**£39,500**

'Black Pearl' is a very nicely presented example of the popular Bermuda model of Broads motor cruiser, which is ideally suited to leisure or liveaboard use on the inland waters of the UK. Spending several years out of the water, she has been lovingly re-fitted to a very high standard in a modern and classy style by the current owners. It was last surveyed in 2017. Viewings are available 7 days a week by prior arrangement, so please contact us to make an appointment.
