Chaparral 1930 Special Edition

£10,500

This is a 1998 classic bowrider, special edition model from Chaparral. The current owner purchased the boat in 2012 and has only ever used it on fresh water. It has been dry stored on a bespoke Indespension trailer he had built and it has never been antifouled. A major outdrive service was carried out in 2020 (invoice with full details available) and the engine has been serviced by the owner who is an experienced mechanic. There are a few minor blemishes on the hull gelcoat and some fading of the red stripe, but overall the boat is in very good condition. We are open for viewings 7 days a week by prior appointment please.
