

All That Jazz

60' Wide Beam Cruiser Stern

£130,000

'All That Jazz' was commissioned by the sellers as a fully fitted wide beam with several bespoke upgrades that were designed to enhance their use of the vessel and will be of significant benefit to future owners too. These include the cleverly designed second cabin, a TV satellite installation, a higher rated engine, additional solar capacity, extra radiators, a bow thruster, double oven, pump-out toilet and a larger capacity calorifier. In addition, there is a Zodiac Cadet 310 aluminium floored inflatable dinghy with a short shaft Mariner 9.9hp 4 stroke outboard and a road trailer (all purchased new in September 2022) that can be purchased separately.
