

## Kingfisher

Fairline Mirage Mk I

£19,500

The Mirage is one of the most popular motor cruisers built by Fairline, having both offshore and inland capabilities. With economical twin diesel engines on stern drives, Kingfisher has manoeuvrability at low speeds, control whilst cruising and the ability to plane in the right conditions. The sellers of Kingfisher had a detailed survey in 2022 as part of their purchase and, as with most boats of this vintage, there were some routine maintenance issues identified, but on the whole the vessel was well received. Hence, this is a good opportunity to purchase a versatile, family boat late in the season with a view to getting it ready for use in time for next Spring.

BSC	14/10/2024
Builder	Fairline Boats of Oundle
Model	Mirage Mk I
Year	1975
Berths	5 in 2 cabins
Engines	Volvo Penta AQ-D32A x 2 70hp
