34' Broads Style Cruiser

**£29,950**

A very well cared for example of this very spacious and practical river cruiser with fully sliding canopy. This wide beam Broads cruiser was built by Appleyard Lincoln Boats of Ely in 1976. The current owner completely refurbished the boat to a very high specification and first class finish. She is very flexible having two toilets and sleeping 4/6 but is also of a size which can go anywhere on the Great Ouse system up to Cardington Lock. Please contact us to arrange a viewing.
