

Steely Stan

45' Cruiser Stern Narrow Boat

£57,500

A beautifully presented narrow boat having just been blacked, professionally re-painted and fitted with a new pram hood, cratch cover and frames, 'Steely Stan' (previous name 'Fino') is a credit to her owners, who have only decided to sell to spend more time on their other boat! There is the flexibility to sleep four in two separate cabin areas, making it suitable for friends and family to visit on occasions. A survey carried out in 2022 can be made available to prospective buyers. We are open for viewings 7 days a week by appointment please.
