

Rum Couple

Barnes Royale 305

£34,950

The Barnes Royal 305 is a development of the sports cruiser styled Hardy Seawings 305. We believe this particular example began life as a hire craft on the Norfolk Broads, subsequently passing into private ownership. The design includes a spacious cockpit easily accessed from either side or from the bathing platform, a hard top with removable sunroof panels and generous, well equipped accommodation including a full-size double berth, galley, circular seating area and full wet room. With an economical single diesel engine, bow thruster, heating and hot water, Rum Couple is an ideal river boat. Viewings are available 7 days a week by appointment please.

BSC	Valid to 23/09/2028	Cabin Headroom	6' (1.83m)
Builder	Barnes Brinkcraft	Hull Material	GRP
Model	Royale 305	Hull Type	Modified vee
Year	2002	Keel Type	Other
