Seamaster 820 River Cruiser

Approximately 100 Seamaster 820s were built between 1979 and 1981. Wide side decks for easy all-round access, a large cockpit and spacious accommodation all help to make the 820 a good all-round pleasure cruiser for friends and family. 'Tradewinds' is a tidy and well equipped example of this popular build, that is ready for a new owner!
