

Picalilly

£85,000

62' Dutch Style Narrowboat

This beautifully built Dutch style narrowboat really is a head turner! This craft has been meticulously maintained by the current owners who have spared no expense when it comes to general maintenance and upgrades. Featuring a removable wheelhouse, bow thruster (fitted in 2023), central and underfloor heating, solar and a selection of navigation equipment, 'Picalilly' really does offer both comfort and style while cruising the inland waterways. This boat is still in use which means viewings are strictly by appointment only please.
