

Sunshine

£4,950

Colvic 20 Sea / River Cruiser

The Colvic 20 is renowned as a sturdy, well built craft that is equally at home on fresh or salt water. We understand that in recent years, 'Sunshine' has been fitted with a new fuel tank and pipework, new timber deck supports, new engine control panel and wiring loom, new battery box and new engine cover, and with some cosmetic finishing off in the cabin, she would make an excellent boat for someone!
